

Hello from Carol Shenuski ! I am the person who is in charge of selling items on consignment in the Official WV Strawberry Festival Gift Shop for 2025.

I hope you will be able to bring some of your wonderful items to be sold in our consignment shop.

WVSF has again secured a great location for our 2025 WV Strawberry Gift 🍓 Shop!

The shop will be at 25 East Main Street (same place as last year) in Buckhannon WV.

We will use a form to keep track of your items. You need to fill out 2 copies. Please bring them with you. I will assign your vendor number when you bring in your items and we will double check the info together.

When you list your price on the form, please remember that 20% of the selling price you list will go to the Strawberry Festival. So please make sure that the price you list is high enough to cover your expenses and give you a profit. (Divide your selling price by 5 and you will know how much the festival will keep.)

I will send you the forms when I get an email or call from you expressing your interest in participating again in 2025. I will need to have your name, mailing address, email info, phone number and a brief description or photos of the kinds of items you plan to sell. Please include that info in your email or call.

I do not know exactly what date you will be able to bring in your items to set up. We hope to have access to the store sometime after May 5 thru May 22, 2025.

However, we will have to do some cleaning and arranging before being able to take your items.

I will include set up times and pick up times in a future email with the vendor forms attached.

There is also a craft sale location on parade days (May 15, 16, and 17) where you pay for indoor or outdoor spaces for all 3 days. Info will be available online about this. It is located at the Stockert Youth Center on Main Street in Buckhannon.

We ask that vendors choose the Gift Shop or the Craft Show to sell their items, not both places. That way we can give an opportunity for participation to more vendors.

The WV Strawberry Gift store will be open to the public from May 10 to May 18. It will be open every day except Sundays. Usually it is open from 10:00 AM to 6:00 PM, but we will be open earlier and stay open later on parade days (May 15,16,17).

If you have questions, please email me at caanshen@aol.com.
